HARVARDKEY is coming soon!

HarvardKey is the University’s unified login credential to grant you access to the IT resources you use every day — and on Nov. 12, you’ll receive an email invitation to claim your own HarvardKey.

HarvardKey not only replaces your login for PIN-protected applications, it replaces additional logins for computing resources such as your ...

- Desktop computer
- Office 365 email account
- Email devices like phones and tablets

Learn how HarvardKey will help you! Visit iam.harvard.edu/harvardkey today.
